

KNOWING

September 22, 2008

Dear Neighbors,

This letter is to inform you that Summit Entertainment will be filming scenes for an upcoming feature film "Knowing" in your neighborhood on Wednesday, September 24, 2008. Our work will consist of a camera truck driving around the neighborhood of Westford along with other production vehicles for a period of 2 ~ 4 hours sometime between in the hours of 11 AM and 5 PM. The Westford Police will escort the production vehicles in order to insure safety for the public and the film crew.

We have been working with the Town Office in order to accomplish the work appropriately and smoothly. We are pleased to film in the beautiful town of Westford and we hope that this experience will be a pleasant experience for the neighborhood and the production crew.

If you'd like to address any concerns about our work in the area, please call Hyunsoo Moon with the Location Department at 781-577-7703

Thank you for your consideration and we look forward to filming in your neighborhood.

Sincerely,

Hyunsoo Moon
Location Assistant
781-577-7703
